

Welcome to Winter Sky Arena!

Game User Guide

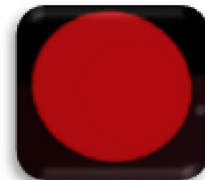

Winter Sky Arena is a 3D first-person shooter game where the player has three minutes to shoot as many green targets as possible while avoiding the menacing red enemy spheres. Can you beat your high score before the timer runs out, or will the enemy get to you first?

How to Play

- W – **Move forward**
- A – **Move Left**
- S – **Move Backward**
- D – **Move Right**
- Spacebar – **Jump**
- Move Mouse – **Look Around**

- Click Mouse – **Shoot Ball**
- Targets are **GREEN**
- Enemies are **RED**

- If you collide with an enemy, the timer runs out, or you jump out of bounds, the game ends.
